Subject Re: Can NEIC support Triangle Lake sampling efforts - due June 8th

Good thought, but Chad and I have brainstormed whether NIEC could help and we haven't found a connection since we're not in enforcement mode on this issue.

By the way, there are monthly calls with Oregon agencies involved (ODA., OHA, ODF) on what they call Highway 36/Triangle Lake. the next one is Tuesday, June 12, 11:00 - 12:00 and it would be great if you could join us - these calls are loads of fun, especially when the phone is on mute. I'm going to miss them dearly.

Linda - please add Kelly to the invite list and let's set up an hour with her sometime beforehand if she can make the call for a briefing with you, me, and Chad

Subject: Can NEIC support Triangle Lake sampling efforts - due June 8th

Elizabeth,

I'm a newbie to the whole Triangle Lake issue and you've probably already checked out the NEIC route but thought that I should mention them as a possible source of assistance.

Subject: Fw: NEIC Request for FY'13 Civil Project Proposals

---

My apologies if Kelly already distributed this to you before she left on AL - (we're both trying to cover the key Enf. Coord duties in the interim). Please distribute this solicitation to key staff and read David Parker's instructions below for requesting NEIC support. David needs a prioritized list from Region 10 by June 15th.

Thus, please submit your requests to **Kelly and myself** by **COB JUNE 8TH.** This will allow us time to discuss, ask any followup questions, and prioritize the list prior to submittal to NEIC. Thanks!
